EXHIBIT D - INDIVIDUAL DEBTOR'S STATEMENT OF COMPLIANCE WITH CREDIT COUNSELING REQUIREMENT

Warning: You must be able to check truthfully one of the five statements regarding credit counseling listed below. If you cannot do so, you are not eligible to file a bankruptcy case, and the court can dismiss any case you do file. If that happens, you will lose whatever filing fee you paid, and your creditors will be able to resume collection activities against you. If your case is dismissed and you file another bankruptcy case later, you may be required to pay a second filing fee and you may have to take extra steps to stop creditors' collection activities.

Every individual debtor must file this Exhibit D. If a joint petition is filed, each spouse must complete and file a separate Exhibit D. Check one of the five statements below and attach any documents as directed.

1. Within the 180 days before the filing of my bankruptcy case , I received a briefing
from a credit counseling agency approved by the United States trustee or bankruptcy
administrator that outlined the opportunities for available credit counseling and assisted me in
performing a related budget analysis, and I have a certificate from the agency describing the
services provided to me. Attach a copy of the certificate and a copy of any debt repayment plan
developed through the agency.

☐2. Within the 180 days **before the filing of my bankruptcy case**, I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, but I do not have a certificate from the agency describing the services provided to me. You must file a copy of a certificate from the agency describing the services provided to you and a copy of any debt repayment plan developed through the agency no later than 15 days after your bankruptcy case is filed.

3. I certify that I requested credit counseling services from an approved agency but was unable to obtain the services during the five days from the time I made my request, and the following exigent circumstances merit a temporary waiver of the credit counseling requirement so I can file my bankruptcy case now. [Must be accompanied by a motion for determination by the court.] [Summarize exigent circumstances here.]
If the court is satisfied with the reasons stated in your motion, it will send you an order approving your request. You must still obtain the credit counseling briefing within the first 30 days after you file your bankruptcy case and promptly file a certificate from the agency that provided the briefing, together with a copy of any debt management plan developed through the agency. Any extension of the 30-day deadline can be granted only for cause and is limited to a maximum of 15 days. A motion for extension must be filed within the 30-day period. Failure to fulfill these requirements may result in dismissal of your case. If the court is not satisfied with your reasons for filing your bankruptcy case without first receiving a credit counseling briefing, your case may be dismissed.
□4. I am not required to receive a credit counseling briefing because of: [Check the applicable statement.] [Must be accompanied by a motion for determination by the court.] □Incapacity. (Defined in 11 U.S.C. § 109(h)(4) as impaired by reason of mental illness or mental deficiency so as to be incapable of realizing and making rational decisions with respect to financial responsibilities.); □Disability. (Defined in 11 U.S.C. § 109(h)(4) as physically impaired to the extent of being unable, after reasonable effort, to participate in a credit counseling briefing in person, by telephone, or through the Internet.); □Active military duty in a military combat zone.
☐5. The United States trustee or bankruptcy administrator has determined that the credit counseling requirement of 11 U.S.C. § 109(h) does not apply in this district.
I certify under penalty of perjury that the information provided above is true and correct.

Blue Book Trade-In Value

Trade-in Value is what consumers can expect to receive from a dealer for a trade-in vehicle assuming an accurate appraisal of condition. This value will likely be less than the Private Party Value because the reselling dealer incurs the cost of safety inspections, reconditioning and other costs of doing business.

Vehicle Condition Ratings

Excellent

\$5,300

"Excellent" condition means that the vehicle looks new, is in excellent mechanical condition and needs no reconditioning. This vehicle has never had any paint or body work and is free of rust. The vehicle has a clean title history and will pass a smog and safety inspection. The engine compartment is clean,

with no fluid leaks and is free of any wear or visible defects. The vehicle also has complete and verifiable service records. Less than 5% of all used vehicles fall into this category.

Close Window

✓ Good (Selected)

\$4,850

"Good" condition means that the vehicle is free of any major defects. This vehicle has a clean title history, the paint, body and interior have only minor (if any) blemishes, and there are no major mechanical problems. There should be little or no rust on this vehicle. The tires match and have substantial tread wear left. A "good" vehicle will need some reconditioning to be sold at retail. Most consumer owned vehicles fall into this category.

Fair

\$4,070

"Fair" condition means that the vehicle has some mechanical or cosmetic defects and needs servicing but is still in reasonable running condition. This vehicle has a clean title history, the paint, body and/or interior need work performed by a professional. The tires may need to be replaced. There may be some repairable rust damage.

Poor

1. N. N. N. N.

"Poor" condition means that the vehicle has severe mechanical and/or cosmetic defects and is in poor running condition. The vehicle may have problems that cannot be readily fixed such as a damaged frame or a rusted-through body. A vehicle with a branded title (salvage, flood, etc.) or unsubstantiated mileage is considered "poor." A vehicle in poor condition may require an independent appraisal to determine its value. Kelley Blue Book does not attempt to report a value on a "poor" vehicle because the value of cars in this category varies greatly.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts filing a case under chapter 7, report this total also on the Statistical Summary of Certain Liabilities and Related Data.
